WORK EXPERIENCE

November 2004 – Present **WHO'S WHO IN LUXURY REAL ESTATE** Creative Director

Seattle, Washington: An international membership network of the world's leading luxury real estate brokers. Responsible for overhauling corporate image by handling the complete design direction and production of all company branding, printed materials and digital publications. Highly proficient in editorial design, high-end press kits, conference materials, coffee table books, advertising, marketing materials and pre-press, print production.

2000 – 2003 **LEIBOWITZ COMMUNICATIONS** Art Director

New York, New York: Extensive experience in the design and pre-press production of a wide range of marketing and publishing materials in this hyper-paced design studio in Chelsea, New York.

2000 – 2000 **THE SLOAN GROUP** Graphic Designer

New York, New York: Large, fully integrated marketing and advertising agency. Accepted offer from other firm (Leibowitz Communications) after a few months of employment – just before layoffs depleted staff by 90% and they eventually closed their doors permanently.

RELEVANT SKILLS Over two and a half decades of experience uniquely qualified in the conceptual development, creative direction, design and pre-press production of any and all types of content. Especially well experienced in editorial design, typography, image enhancement / color correction, books, magazines, billboards, bus ads, complex media kits, conference materials, brochures, and all forms of marketing and advertising materials.

EDUCATION **AAS Graphic Design & Illustration:** Seattle Central Creative Academy, 2000, with an additional year enrolled in the Seattle Central Graphic Imaging and Printing Program between 1997-1998. Seattle, Washington.

Additional references and non-design work / educational history available on request.
